Maristhill Nursing & Rehabilitation Center Receives 2016 Small Business Excellence Award

WALTHAM, MA – (January 9, 2017) **Maristhill Nursing & Rehabilitation Center**, a non-profit provider of rehabilitative services, short-term and long-term care located in Waltham Massachusetts, has been selected for the 2016 **Waltham Small Business Excellence Award** in the Home Health Care classification by the **Waltham Small Business Excellence Award Program**.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Waltham Small Business Excellence Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Waltham Small Business Excellence Award Program and data provided by third parties.

The Waltham Small Business Excellence Awards recognizes outstanding small businesses that serve the Waltham area. Each year, our selection committee identifies businesses that we believe have achieved outstanding marketing success in their local community and business classification. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value. These are small businesses that enhance the positive image of small business through service to their customers and our community.

Originally founded in 1969 by the Marist Missionary Sisters, Maristhill is a licensed skilled-nursing and rehabilitation center with a highly-recognized performance record for clinical excellence and quality care. People of all faiths and denominations are welcomed at the 123-bed facility, which is a member of **Covenant Health Systems**, a Catholic health care system sponsoring hospitals, nursing homes, assisted living residences and other health and elder services throughout New England.
