

Book Signing & Reading at Maristhill **"Our Community's Author!"**

We are proud to congratulate Noah Beit-Aharon, Assistant Director of Activities at Maristhill, on the publishing of his second book!

A book signing and reading event was recently held at Maristhill, during which Noah, who writes under the pen name N.S. Dolkart, shared portions of his book *Among the Fallen*, the sequel to last year's *Silent Hall*, with residents and other staff members.

Noah has secured a two-book contract with *Angry Robot*, a global imprint based in the UK, and dedicated to the best in modern adult science fiction, fantasy, and everything in between. He has had an exceptionally-positive impact on our residents over the past six years, organizing and leading a wide range of therapeutic and engaging

activities, and even performing concerts! We hope you will join us in congratulating him on his accomplishment.
