FOR IMMEDIATE RELEASE

Maristhill Nursing & Rehabilitation Center Names Luanne Deagle as Director of Nursing

WALTHAM, MA – (January 3, 2017) **Maristhill Nursing & Rehabilitation Center**, a non-profit provider of rehabilitative services, short-term and long-term care located in Waltham Massachusetts, recently announced that **Luanne Deagle** of Newton has been named Director of Nursing.

Ms. Deagle began her career at Maristhill in 2001 as a charge nurse, and also held the positions of Nurse Manager, Supervisor, Director of Staff Development & Infection Control, and Assistant Director of Nursing. In her new role she will oversee all aspects of clinical and resident care, staff education and scheduling.

A graduate of Massachusetts Bay Community College, Ms. Deagle is a Registered Nurse (RN). Her extensive experience as a geriatric nurse and her exceptional communication skills made her an ideal choice for this position.

“We are very happy to congratulate Luanne on her new position as Director of Nursing,” said **Joe Deveau**, Maristhill’s Administrator. “Her knowledge, people skills, and diligent work ethic will be great assets in leading our nursing effort and in maintaining a resident-centered community here at Maristhill.”

Originally founded in 1969 by the Marist Missionary Sisters, Maristhill is a licensed skilled-nursing and rehabilitation center with a highly-recognized performance record for clinical excellence and quality care. People of all faiths and denominations are welcomed at the recently-updated facility, which is a member of **Covenant Health Systems**, a Catholic health care system sponsoring hospitals, nursing homes, assisted living residences and other health and elder services throughout New England.
