

## Tony Funches Former Lead Singer of the Platters Performs at Matisthill

All of us at Maristhill have enjoyed the talents of the incomparable Tony Funches, former lead singer of Herb Reed's Platters, who has performed at Maristhill numerous times over the past several years.

A favourite among residents and staff, Tony's stage career has spanned nearly thirty 30 years, more than twelve of which were spent with the Platters.

The wide vocal range of this incredible singer is just the beginning of his talents, as his on stage personality and ability to engage audiences of all age levels – as shown at left while crooning with patient Susan Burke during Maristhill's annual Family Christmas Party last year – is truly impressive.

This year's performance will take place on Tuesday April 10<sup>th</sup> in our Sunroom. As always, it's sure to be a popular hit among residents and staff alike.

Tony and his performances will always be remembered fondly by our community here at Maristhill, not only because of his talent but also due to his sincere manner and his expression of appreciation for his audiences.

In the spirit of Easter, we are appreciative of the many people who help make life at Maristhill fulfilling and joyous. Our wonderful staff, talented entertainers and musicians, students from St. Jude's and Brandeis University, and countless members of our community have all contributed to the well-being of our residents.
