

Maristhill Staff Participates in NE's Largest MS Bike Ride

The Bike MS: Cape Cod Getaway 2017, is the largest Multiple Sclerosis bike ride in New England. Beginning on a recent Saturday morning, over 2000 pedaled from Quincy through the coastal towns of Massachusetts' South Shore to the beginning of Cape Cod.

Day one ended in Bourne at the Massachusetts Maritime Academy, where the riders were welcomed with music, great food and sincere appreciation for their participation in this major fund-raising event.

Early Sunday morning, the riders crossed the Bourne bridge and rode through picturesque Cape Cod as they made their way to the finish line in Provincetown.

Incredible Support!

“This is a good example of the commitment Maristhill’s staff has made to community involvement,” said **Joe Deveau**, Maristhill’s CEO. “And we are committed to continuing to do our best to support those in need.”

The National Multiple Sclerosis Society operates with a vision of a world without MS. Among other things, they are involved in fund-raising activities such as this bike ride. Their mission statement: “People affected by MS can live their best lives as we stop MS in its tracks, restore what has been lost and end MS forever.” For more information, please visit www.nationalmssociety.org.
